Greetings:

Grace and peace be with you as you take this opportunity to inspire and nurture one another in fellowship.

As the Pastor of New Green Grove Church of Faith, I humbly welcome you to partake of the workings of Jesus Christ through one of my children in the faith. I believe that the organization and creativity that abides in Sister Belinda can and will bless you.

It is with great respect for this vision, to market by example the quality of work you can expect to receive from her business Glorious Imprints, that I give my support. ***W.I.N.G.S.*** Fellowships prayerfully will spark new creative measures, within each of you, for reaching the people of God where they are in life.

Enjoy this time of fellowship and may God truly bless each of you.

Graciously Submitted
